

Closure of Amanah Arabic Schools & Muath Arabic School

Dear Parents

Due to the worsening situation of the spread of the Coronavirus in the country and in line with the latest Government advice and with a view to protecting our children and staff from any harm, the Muath Trust has decided to close all the supplementary Schools from Tuesday 17th March 2020 until further notice.

The School Administration intends to continue to teach children during the specific School times remotely and they will be in touch with you to make the necessary arrangements with you in due course.

We pray that Allah guides and protects us and keeps our society safe from all harm.
